Can you giftaid it?

Using Gift Aid means that for every £1 you give, CWS receives an extra 28p from the Inland Revenue, at no cost to you, helping your donation go further.

I am a UK taxpayer and want CWS to claim back the tax on all donations I have made for the six years prior to this year and all donations I make from the date of this declaration until I notify you otherwise.

How did you hear about CWS?

Your details will be held on our database. If you would prefer us not to contact you in future about CWS's work, please tick here.

Please complete and return to:

CWS, 32-36 Loman Street, Southwark, London, SE1 0EH

CWS supports disadvantaged children and young people in Nepal.

Healthcare

- Asha Healthcare providing a range of services for poor children and communities in urban and rural areas

The challenges...

Why do we work in Nepal?

Nepal is the least developed country in Asia, with the poverty made worse by years of internal conflict.

Out of every 100 children in Nepal:

- 42 live below the poverty line
- 48 will be malnourished
- 42 will be involved in child labour
- 39 will not complete primary education
- 7 will die before their fifth birthday

Raju's story

Raju's father is a labourer, earning just £15 per month to support his six children. Raju was forced to drop out of school at 10 years old, because his family could no longer afford to send him. He was put to work, first as a domestic worker in exchange for food, and then as a rag picker on the streets.

Our Street Project social workers met Raju during one of their regular field visits. Finding he wanted to continue his education, they supported Raju with a school uniform, educational materials, regular counselling and home visits, so he could return to his family and continue his studies. He is now attending school regularly and has passed his first term exams with excellent marks.

The solutions...

How are we making a difference?

Our partners' projects support over 20,000 disadvantaged children and young people each year, giving them hope for a brighter future. Working with local partners means we are close to the Nepali culture and people, so we can better understand their needs. Our services have a reputation for high standards, but just as importantly for treating children and families with kindness, respect and dignity.

What makes us special?

- We support the most disadvantaged who are often neglected by other organisations. We adapt to meet their needs regardless of how difficult their circumstances
- We use new ideas and technologies, to improve our services, make them accessible and enjoyable to use!
- Most of our staff are in Nepal, which is cost-effective and means we can closely monitor projects and ensure every penny is spent wisely

Why do we need your help?

We aim to make our projects sustainable, helping partners and communities to find ways to take over and fund projects themselves in future. However, this is a gradual and challenging process, so we need support to continue our vital projects.

We are also seeking funds to develop relationships with new partners, so that through them we can reach out to more of the huge number of vulnerable children who need help.

How can I help?

You can make a donation...

£10

...could save a child's life by providing medical help for a child living in a remote mountain community

£25

...could reduce respiratory disease and save trees, by building an improved cooking stove for a family in Nepal

£50

...could mean a street child no longer has to go hungry, by buying them a meal every day for a year

£100

...could give a disadvantaged young person a new start in life, by paying for a month's vocational training

£250

...could help us treat 825 children from the slums, by paying the salary of a doctor for a whole month

You can also help in other ways by:

- Spread the word about CWS to family and friends
- Hold a fundraising event for us
- Take part in a UK or overseas challenge
- Present our work to your company, trust, school, club or society

Please tick the relevant boxes so we can contact you with further information.

Help make a real difference
